- All applicants shall have attained a level of competence in English to enable them to complete the course successfully.
- Applicants shall be required to pass an interview
- Graduates seeking employment in the government need credit in Bahasa Malaysia at SPM level
- For qualifications not listed in this document, equivalence assessment of the qualification shall be obtained from the Malaysian Qualifications Agency (MQA)
- Clarifications shall be sought for the Malaysian Dental Council (MDC) in situations for which there is no provision in this document.

Medical fitness

As a prerequisite, it is required of applicants to demonstrate medical fitness to practice in order to comply with the requirements of the relevant professional bodies, as outlined by the Malaysian Dental Council (MDC) 2023. Once selected, the applicants will be informed of other conditions (if applicable). All students applying for the DDS programme in PIDC should be vaccinated for Hepatitis B. Individuals who are positive for HIV or Hepatitis B or Hepatitis C shall not be admitted to the dental programme.

Professional and Personal conduct

- The practice of Dentistry requires the highest standards of professional and personal conduct as well as professional competence.
- All applicants shall declare if they have been found guilty of any criminal offence(s), serious physical or mental illness and/or serious communicable disease(s) which may impact their future practice.
- Failure to declare information that has a material influence on a student's fitness to practise may lead to termination of their dental course, as honesty, integrity and good health are essential attributes of a dental practitioner and by extension, the dental student.

Mechanism of selection and admission

- Marketing and promotion center - Collection of Enquires and creating databases.
- Collection of Enquiry forms from students.
- Check eligibility as per admission requirements. If a student has minimum eligible requirements, application forms are released.
- Student submits application forms along with application fee and certified copies of the student's particulars and academic qualifications.
- If a student qualifies on all requirements, application is recommended to the admission committee and an online/ telephonic interview is conducted by a member of the faculty.
- Upon clearance from the committee, an offer letter is released.
- Students are required to accept the terms and conditions of the offer letter.
- Confirmation Letter is released upon fulfilling all the norms as indicated in the offer letter.

Appeal

- Students who do not meet MDC's minimum academic entry requirements are not allowed to pursue the DDS programme. No appeal is allowed for them.
- Students who meet the minimum academic entry requirement but are not successful in their application due to rejection at interview stage may submit an appeal by writing to PIDC.
